PETITION TO CORRECT FILING DATE UNDER 37 C.F.R. §1.53

Mail Stop Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Commissioner:

Applicant respectfully requests that the filing date of the above referenced application be changed from February 9, 2004 to February 10, 2004.

Applicant filed the above referenced application under the Express Mail procedures of 37 CFR 1.10. The actual date of deposit of the application papers with the U.S. Postal Service was February 10, 2004. A copy of the application transmittal papers bearing Express Mail # EL 976595105 US and a copy of the Express Mail receipt # EL 976595105 US are enclosed.

The Express Mail receipt bears a U.S. Postal Service stamp in the upper right corner indicating a deposit date of February 10, 2004. This date corresponds with the date of deposit indicated on the Certificate Under 37 CFR 1.10 contained on the application transmittal papers and the date of signature of Applicant's representative, Michael D. Schumann. An Information Disclosure Statement and a Preliminary Amendment were also deposited with the original application papers, as indicated on the application transmittal, and both the IDS papers and the Preliminary Amendment papers contain a Certificate Under 37 CFR 1.10 indicating a date of deposit of February 10, 2004.

However, employees of the U.S. Postal Service incorrectly hand wrote the date February 9, 2004 in the Date In box on the Express Mail receipt. That the hand-written date is incorrect is supported by the U.S. Postal Service's own stamp indicating a date of February 10, 2004, as well as Applicant's initial application papers indicating a date of deposit of February 10, 2004.

Correction of the records of the United States Patent and Trademark Office to reflect a filing date of February 10, 2004 and issuance of a corrected filing receipt are respectfully solicited.

A check in the amount of \$130 for the petition fee is enclosed. Please charge any additional fees or credit any overpayment to Deposit Account 13-2725.

Respectfully submitted,
